Hay There,

Thanks for your interest in riding with Daufuskie Marsh Tacky Society!

Please call 843-368-3636 or email [ride@daufuskiemarshshtackysociety.org](mailto:ride@daufuskiemarshshtackysociety.org) to book your reservation. If you have questions about your ferry and/or land transportation options, please let us know, we will be happy to assist you.

Rides go out year-round Wednesday through Sunday. Departure times are flexible and dependent upon the tide schedule and time of year. We can currently take up to 4 in a party, depending on height, weight and riding ability. We do not mix parties, therefore your ride will be private. Thanks for understanding that riding on or near the beach is limited from March to October out of respect for an increase of tourists on the beach as well as sea turtle nesting season. Please allow at least 24 hours notice before you want to ride. When you call, be prepared to provide the following information:

- Date(s) you want to ride
- Rider(s) age, height, weight and riding experience
- Credit card info
- Email address

Your credit card info will be held to secure your reservation and never charged until after your ride (if authorized). Gratuity for your Guide is appreciated and not included in your fare. There is a \$75 fee for cancellations made with less than 24 hour notice. Rides that must be cancelled due to weather are not subject to cancellation fees and it is up to you if you reschedule or not.

In preparation for your bucket-list horseback riding adventure, please note the following:

- Plan to arrive 20 minutes before your ride time to allow for paperwork, mounting, tack fitting and a short riding demo tailored to you and your horse.
- This trail ride is not designed for complete beginner and/or physically unfit riders. You must demonstrate novice or better riding level which is defined by us as the ability to independently, confidently and proficiently mount, walk, trot, halt, change direction and dismount in an arena setting before departure onto the trail.
- Riders must be 10 years of age or older and weigh less than 225 lbs.
- You must have the ability to promptly follow verbal instructions while mounted, intoxicated guests will be refused and charged a \$75 cancellation fee.
- Staff reserves the right to refuse customers based on their sole discretion and concern for the safety of the customer, the horses and themselves.
- Be prepared to trot during your ride. Guides will adjust the amount and duration of trotting based on your level of comfort and control at the trot. Cantering is only allowed based on Guide's sole professional assessment of your ability to safely and comfortably control your horse at the canter. Absolutely no galloping is allowed.
